Positively Brilliant Teaching and Learning for All

Making every classroom experience a positive one – for children as well as for teachers

From SEND to G&T, from inclusion to behaviour, from demotivated children to exhausted teachers, this new day-course is a one-stop shop when it comes to getting the best out of everyone in the classroom.

Full of workable, practical, proven ideas this interactive day brings together the best in creative pedagogies, curriculum design, learning technologies, thinking skills, differentiation and, well, positively brilliant teaching and learning.

Audience: Leadership, teaching and learning, SEND, G&T, ALN, anyone who works with children. Suitable for all key stages

Nina is quite probably the sort of teacher that 'you know who' would call an 'enemy of promise'. Passionate about educating the whole child, about social and emotional well-being, about making classrooms positive places to be in and about ensuring creative, active and enjoyable learning experiences that address the needs of all children, we simply call Nina a wonderful educator. We know you'll agree!
